Sir,

Subject Improving water supply to Kalkunike, Hunsur Town

1 In forwarding herewith a report No H C 88/46 dated 5-6-1947 received from the President, Town Municipal Council, Hunsur, on the above subject, I have the honour to state as follows

2 Kalkunike is a village within Municipal limits of Hunsur Town The residents of the place have been clamouring for improving the water supply to their parts for the reason that the existing system of supplying water through a boosted pump installed on the distribution line from the main reservoir is defective

3) An estimate therefore was called for to remove the defects and to improve water supply and the Sanitary Engineer has since furnished a plan and an estimate for Rs 12,043 The Council at their meeting held on 24-5-1947 have approved the estimate and have countersigned it, proposing to meet their quota of cost out of their closing balance The Council request that the other half amounting to Rs 6025/- might be granted by Government as their quota

4) The Closing Balance on the date of report is stated to have been Rs 12,863 The Municipality has besides an investment of Rs 15,540/- in the Savings Bank The Municipality is therefore capable o meeting its half cost

5) I request, in the circumstances, that Government may be kindly moved to accord sanction to the resolution of the Council and to the grant of half the cost, as their quota, and to instruct the Sanitary Engineer to proceed with the work early, as an urgent necessity

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
